

WallPaper Sheet Cedar Terrace

DRECTIONS: With the help of parent / guardian, print out the Cedar Terrace wallpaper on 8.5" x 11" size paper. A thicker cardstock paper is a better choice. Using scissors, follow the line to cut out the wallpaper. Place double-sided tape on the blank side of the paper and follow the diagram below to see where to place the wallpaper.

① Follow the line to cut out the wallpaper.

② Place double sided tape on the blank side of the wallpaper.

③ Follow diagram to place the wallpaper.
